

February 18, 1988      LB 828

SENATOR MOORE: I move we adopt the E & R amendments to LB 828.

PRESIDENT: You've heard the motion. All in favor say aye. Opposed nay. They are adopted.

CLERK: Mr. President, Senator Coordsen would move to amend the bill. (Coordsen amendment appears on page 888 of the Journal.)

PRESIDENT: Senator Coordsen, please.

SENATOR COORDSEN: Thank you, Mr. President, members of the body. When this bill was on General File Senator Lamb expressed a little concern that the wording wasn't clear enough to be readily understood when it was passed into statute. So what this amendment would do would be address his concerns. On page 2, lines 4 and 13, we would strike "used, surplus personal property" and insert "surplus personal property which is obsolete or not usable by the county", which would basically require the counties to make a determination as to the use of that type of equipment that they wanted to dispose of outside of the bidding process. Then it goes on to repeat...change that language two other places. With that, I would move the amendment.

PRESIDENT: Thank you. Senator Lamb, please.

SENATOR LAMB: Mr. President and members, I rise to support the amendment. I think it does clarify the language so that even a person from a Class I can understand what they are getting at. (Laughter.)

PRESIDENT: Any further discussion? If not, the question is the adoption of the Coordsen amendment. All in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Coordsen's amendment.

PRESIDENT: The Coordsen amendment is adopted. Anything further?

CLERK: Nothing further, Mr. President.

PRESIDENT: Senator Moore.
